SELECT COMMITTEE ON INTELLIGENCE

(PURSUANT TO S. RES. 400, 94TH CONGRESS)

WASHINGTON, D.C. 20510

MEMORANDUM

TO: ADMIRAL STANFIELD TURNER 
FROM: MR. WILLIAM G. MILLER 
DATE: FEBRUARY 10, 1977

At our last meeting, I promised to give you a list of reports concerning the organization of the intelligence community. They are as follows:

- (1) The Brownell Report to the Secretary of State and the Secretary of Defense
- (2) The Hoover Commission Task Force on Intelligence Activities, June 13, 1955, June 14, 1955, including 87-page report and appendixes
- (3) The Baker Report of September 20, 1957
- (4) The Robertson Report, June 1, 1958
- (5) The Bissell Report, February 18, 1965
- (6) The Eaton Report, August 16, 1968
- (7) The Intelligence Supplement to the Blue Ribbon Report, July 1, 1970
- (8) The Schlesinger Report of March 10, 1971

These reports, as well as Volume I of the Church Committee give a fairly good sense of the landscape of issues. You will notice recurring themes and a recurring pattern of organizational solution.

-2-

There are a number of other reports on special functions, such as estimates, intelligence production, and covert action. I can give you these should you wish.
